

M. Med Anesthesiology Training Programme – Fact Sheet

Application

Interested candidates must first register to sit for the screening test to be held at designated KKM hospitals. Successful candidates will be informed by the Heads of Department (HoD) and allowed to apply online to Bahagian Pengurusan Latihan, KKM (BPL) and University.

BPL will then shortlist the candidates based on their service requirements.

Service requirement

- candidate must be confirmed in service
- aggregate marks of LNPT of the preceding 3 years not less than 85%
- must be free from disciplinary action

Those successful and considered eligible or LAYAK will be informed via online by BPL

HoDs will then submit appraisals/report for LAYAK candidates only to the Training Secretariat

LAYAK or eligible candidates will then be inform to sit for the Conjoint Entrance Examination to be held at the universities (either UM or UM and USM)

Candidates will then be ranked based on the following criteria:
